## COMMISSIONER'S REPORT

---

*To the Citizens of Hillsborough County:*

In accordance with the Public Laws of the State of New Hampshire, the Commissioners submit their annual report for the year ending December 31, 1940, together with reports of the County Treasurer, Clerk of Court, County Solicitor, Sheriff, Jailer, County Farm Superintendent, County Hospital Superintendent, County Physicians, Hospital Report, Chaplains, County Extension Service and County Auditors for your attention and consideration.

It is anticipated that County Expenditures for welfare will be less in 1941 due to improvement of the economic conditions in the County.

During the year 1940 the bonded debt of the County was reduced \$98,000.00 leaving \$1,326,000.00 outstanding. We strongly urge a continuance of this pay-as-you-go policy.

It was necessary to borrow \$80,000.00 over the budget to pay current bills and this should be taken care of in the budget for 1941.

The two barns at the County Farm burned on the morning of July 26th, doing damage to several of the other buildings. The cause was unknown. It was necessary to purchase considerably more hay than usual for the cattle due to the loss of our hay caused by the fire.

If additional farm land could be purchased for a reasonable price it would assure a saving in Farm and Hospital expenditures.

The two new silos at the Farm will require the planting of approximately thirty acres of corn for silage and with an average yield the silos will be filled to capacity.

For the past three years we have been leasing land at one dollar per acre for our potato crop and it will be necessary to lease some additional land next year for the silage crop.

The entire County was shocked by the sudden death of Thomas J. Largy, Superintendent of the County Farm, on the morning of August 26. In his passing the County lost a public servant who was held in high esteem by all who knew him.

Romeo Gagnon, assistant superintendent at the Farm, has been acting as superintendent to fill the vacancy caused by the death of Mr. Largy.

A number of improvements started in 1939 at the Farm and Hospital by W. P. A., were completed during the year, a list of same are as follows:

The renovated heating plant that was completed late last year has brought about a saving during the year of approximately \$5,000.00 in fuel consumption.

Miss Addie M. Moore, who has served as Superintendent of the Hospital for more than a quarter century, has been of valuable assistance to the commissioners in the administration of the hospital.

The medical staff performed their duties in a creditable manner and we wish to thank them for the valuable medical services rendered the sick of the county.

We wish to thank the entire personnel of the Farm and Hospital for the valuable services rendered in carrying out the functioning of the Farm and Hospital.

In the administration of your affairs we have tried to serve all the people to the best of our ability.

The Commissioners wish to express their thanks to all Federal and State Officials, Mayors of Manchester and Nashua, Commissioner of Charities, Selectmen of the towns, Overseers of the Poor, and private and public agencies who have assisted us in our duties in serving the public of their county.

## REPORT OF THE COUNTY SOLICITOR

Manchester, N. H., December 24th, 1941

*To the Honorable Board of Commissioners, Hillsborough County, New Hampshire.*

GENTLEMEN :

I submit herewith my report as County Solicitor covering all cases from the April Term, 1940 to December 31, 1940.

Term	Indictments	Appeals
April Term, 1940 .....	0	6
from June 6, 1940 .....	80	21

In addition, I have instituted many bastardy complaints, all of which have been disposed of in accordance with the law governing such cases, and the County has been relieved to some extent in the support of children born out of wedlock. Such cases being quasi-criminal, I have not rendered a report thereon.

I have handled a great deal of miscellaneous items involving misdemeanors, submitted to me by various departments within the County. All such matters have been adjusted.

A writ of mandamus was issued against the County Commissioners to show cause why a family named Myhaver residing in Peterborough should not be entitled to greater relief than was granted. Writ was dismissed by the Presiding Justice. In addition, two equity actions were instituted against the County Commissioners, which did not involve the commission of crimes or misdemeanors, hence, statistics are not submitted.

All criminal cases have been disposed of, save a few current appeal cases, and cases where respondents are incarcerated in prisons, jails, or other institutions. In such cases warrants have been issued, and they will be arrested when terms have been completed.

I desire to express my deep appreciation to Sheriff O'Dowd and his deputies; Chief James F. O'Neil of Manchester; Chief Ralph Stearns of Nashua, and the State Police for their fine co-operation.

The Criminal docket for Hillsborough is in excellent shape in that the only remaining cases are recent appeals. All cases involving felonies have been disposed of, with exception of cases already noted.

Respectfully submitted,

J. VINCENT BRODERICK,  
*County Solicitor.*

## REPORT OF HOSPITAL SUPERINTENDENT

---

*To the Honorable Board of County Commissioners:*

I hereby submit a report of the Hillsborough County Hospital School of Nursing for the year ending December 31, 1940.

The School has had the same aims as in previous years of teaching its students how to give good nursing care and the modern methods of so doing. The number of hours of class work has been increased and the installation of an excellent practice room has proved invaluable.

Practical experience has been helped by the opening up of a pediatric ward. This ward has been well filled all of the time. The staff members have given many lectures on the required subjects.

Among the nurses there has been very little sickness.

Number of students enrolled in the school

December 31, 1940 .....	41
Number of students graduated .....	9
Number of students preliminary .....	20
Number of students retained .....	36

We wish to thank all who have helped us in various ways in our work.

Respectfully submitted,

ADDIE M. MOORE, R. N.

*Superintendent.*

## CHAPLAIN'S REPORT

---

*To the Honorable Board of Commissioners for Hillsboro County:*

GENTLEMEN :

Heading my 1940 report is a devoted and moving tribute to the memory of our late superintendent, Thomas Largy. Since his taking possession at the Hillsboro County Institution, his work has been outstanding, doing things with a deep understanding and a sympathetic regard for the everyday welfare of his charges. It is not surprising then that his passing caused such a loss: the genuine sorrow felt by all at the passing is the one best proof of a sincere tribute to his sincerity and kindness. Mr. Largy was the helping hand open to all in need, closed to none: may his soul *rest in peace.*

The year 1940 closed again with the ever present characteristic note of a loyal and devoted cooperation of the officials—A very gratifying response of the inmates and the patients. Thus the year was but another added to those preceding during which my chaplain labors have been all the more pleasant and fruitful. Upon closing thanks and gratitude are due to the unfailing devotedness of the members of the choir.

May God ever have in his keeping such a necessary and well kept institution as that of our County Farm and Hospital.

Respectfully yours,

REV. O. W. DE LISLE.

Villa Augustina  
Goffstown, N. H.

## CHAPLAIN'S REPORT

---

*To the Honorable Board of County Commissioners:*

GENTLEMEN:

I hereby gladly report as chaplain of the Hillsborough County Farm.

We have found as usual on the part of Superintendent Largy and Assistant Superintendent Gagnon, the Honorable Board of Commissioners and their helpers, the finest cooperation. The same is true of Miss Moore and the general hospital staff.

And through Divine aid granted to us, we believe we have succeeded in encouraging and helping a goodly number of the inmates of both hospital and farm.

We pray that Divine help and guidance may be vouchsafed to us in the coming year, as in former years.

Respectfully submitted,

THOMAS C. BREWSTER,  
*Chaplain.*

## CERTIFICATE OF AUDIT

---

This is to certify that we have audited the accounts and records of the County Commissioners, the County Treasurer, and the Superintendent of the County Farm for the County of Hillsborough, State of New Hampshire. We have also audited the bills of the County Commissioners for services and expenses as presented to us during the period under review.

We have examined the accounts and supporting vouchers for the period of one year ended December 31, 1940, and, subject to our comments and exceptions submitted, we found them correctly cast and properly vouched, to the best of our knowledge and belief.

Respectfully submitted,

NOE ALLARD,  
ROLAND A. BARNARD,

*Hillsborough County Auditors.*
